SUBJECT: SLOVENIA ON GOLDSTONE REPORT: WAITING FOR EU  
POSITION

REF: STATE 106423

1. (SBU) Emboff delivered reftel demarche on the Goldstone Report to Smiljana Knez, Minister Plenipotentiary in the MFA's International Organization and Human Security Division.

Knez stated that Slovenia was looking for the EU to take a common position following today's meeting in Geneva. She noted that Slovenia was "not enthusiastic" about the special session, with concerns about how the debate could affect the broader peace process. Knez would not speculate on what position Slovenia would take should the EU fail to find a common position, saying only that Slovenia agreed with us that the Human Rights Council is the right forum for such discussions.
